# Protocol Document

## *SV7550 European NTSC Multidisk Recorder*

### Scope and Intent

The SV7550 Multidisk Recorder is very similar to the current SV7500, but has had the power supply modified to work with the 220/240 VAC 50Hz lines found in Europe, where this product is intended for sale.

### Features:

- Same features as SV7500 Multidisk Recorder.
- European configured power supply for 220/240 VAC, 50 Hz operation.
- Meets VFG 1046/84 and ECC 499/82 standards for Electromagnetic Interference
- IEC 380/77, Class I for Safety

### Customer Availability

**11th Period 1988** (CA based on SA plus 6 weeks)
